Is the Truth.

A permanent Orchestra is the pride of every cultured community.

To send to Cincinnati or Lexington every time music is wanted is not at all creditable to a town.

Besides, imported music is a very expensive luxury.

Our Opera-house, this coming winter, more than ever, will need the services of an Orchestra.

Show your interest and when the Committee calls purchase a ticket to the largest reception given in Maysville for months, Neptune Hall, Thursday, July 13th, 9 p. m.

Electric Park.

Last night was a beautiful night, but owing to the inclement weather there was only one amateur present to compete for the watch—little Miss Hanson. The competition was declared off until next Friday night.

Tonight will close one of the most successful weeks this popular resort has enjoyed since its launch for public favors—that is, as far as the Littlefields and Lorraine and Hall are concerned. They will make their last appearance tonight, and those of our people who have not seen them this week should not fail to go out tonight, as they are worth ten times as much as the price of admission.

The small sum of 10 cents is all that it takes to get you out there and back and admits you to the show.

Go out sure tonight.

INCREASED BUSINESS.

Earnings of the C. and O. Railway at Maysville—A Strong Contrast.

The earnings of transportation lines are a mighty good index to the business of a city.

Even with its present crippled facilities for handling freight shipments, the C. and O. makes a handsome showing; but efforts are now being made to secure additional switches, further increasing the capacity of the road—and it is believed these efforts will be rewarded by success.

Below THE LEDGER gives the earnings at this point for the past two years:

Year ending June 30, 1898.....\$28,002.18

Year ending June 30, 1898.....97,735.61

Increase.....\$69,733.43

For the year ending June 30th, 1897,—the last year when there was a "Joint Agent" for the C. and O. and L. and N.—the earnings of the C. and O. were only \$8,620.75.

In this business there is much more good for Maysville than appears upon the surface. Beyond the rapid transit afforded our merchants lie the facts that the C. and O. is the heaviest taxpayer in the county, and that it expends right in Maysville nearly \$20,000 a year for salaries of its employees.

ANGELS UNAWARE

Widow of Alabama's Governor a Vaudeville Performer at Electric Park.

FACTS STRANGER THAN FICTION

There appeared at the Electric Park last week a lady and her son who have quite a history.

The facts would not have developed had it not been for a bit of litigation which began here yesterday, in which the lady appears as plaintiff.

Her deposition, which is a very exhaustive document, avers that she was born on board the steamer Natchez, near Vicksburg, Miss., on St. Patrick's Day, March 17th, 1862, and that her maiden name was Maureen Antoinette Anzoinetta Roberta King.

She was married at the Cathedral of St. Joseph at Mobile, Ala., at 12 o'clock noon, December 13th, 1877, to Earlford Rudolph Hall, and the marriage was re-celebrated in the House of Representatives at Montgomery, Ala., at 8 o'clock p. m. of the same date—her husband being the Governor-elect of Alabama, and serving two terms in that office.

After the close of his official life, Governor Hall moved with his family in August, 1882, to Louisville, and he died there September 18th following.

Mrs. Hall is accompanied here by her son Frank, a sprightly young man of about 30 years.

She has been in the theatrical business since August 13th, 1889, and claims her present residence at 335 Fifth avenue, Louisville, Ky.

This is a striking illustration of the vicissitudes and mutations of life.

What among human ills are more annoying than piles? The afflictions that prevent active exercise are bad enough, but one that makes even rest miserable is worse. Women are among its greatest martyrs. Tabler's Buckeye Pile Ointment will cure the most obstinate cases. Price, 50 cents in bottle, tubes 75c. J. Jas. Wood & Son.

On next Saturday, July 1st, we will make a special sale of Children's Two-Piece Suits. All of our \$3.50 and \$4 Suits will be sold on that day for \$2.35. These Suits will not be sent out on approval, but must be paid for when they are taken out of the store.

Hechinger & Co

FOR BARGAIN BUYERS.

WE HAVE A PRETTY LINE OF

French Challies!

25 Pieces in all, Which We Have Reduced From 50c. a Yard to 25c.

Why? Because challies do not "take" in Maysville. Throughout the summer in city stores challies are as staple as gingham. Fashion never obliterates them from her book, and why we do not wear them here is inexplicable. They are light in weight, wear well and emerge from a careful bath as fresh as dew. These challies are all wool, 32 inches wide, flawless in every detail. There are rich, creamy surfaces flower strewn in various shades. Some pretty figured grays and several cool looking tans. A dainty corn color with black figures and a small pattern of red with Persian design.

At 25c. a yard what cheaper dress could you have for calling and Church wear now and house and party use throughout the winter? Challie has many tempting possibilities for children's clothes and nothing daintier for matinee and tea gowns could be pictured. See window display. We are sure the low price combined with so much prettiness and utility will quickly sell the goods.
